A BREATHTAKING VENUE IN THE HEART OF MAYFAIR

.....

With two spectacular private dining rooms, a labyrinth of semi-secluded areas, two striking feature bar and a show stopping stage; located in the heart of Mayfair, Quaglino's is the venue to host that special event with a wow factor.

Ideal for any celebration: weddings, Bar Mitzvahs, birthdays, corporate parties and much more, with exquisite menus and seamless service to really make sure your event is unforgettable.

A modern interior redesign by Russell Sage Studio has seen the signature sweeping staircase, balcony bar, main restaurant and mezzanine private dining rooms elegantly restored, along with the addition of a glamorous central cocktail bar and a stage for intimate live music performances.

PRIVATE DINING

Quaglino's has two private dining rooms which offer a versatile range of options and can be hired independently or in combination for breakfast, lunch or dinner. The private dining rooms, like the restaurant, have beautiful art deco touches that allude to the bygone era when Quaglino's was born. They offer chic interiors with flexible table arrangements and are completely self-contained, so you can enjoy an entirely private, tailor-made event.

Prince of Wales Room

Set on the mezzanine level, is the larger Prince of Wales Room. It has a glass wall offering seclusion yet also overlooking the theatre of the main restaurant below, with the best view in the house of the grand stage. Ideal for private family gatherings to corporate meetings and presentations.
