# Experiences

*We've teamed up with WildGoose to put together engaging and memorable experiences for you to enjoy. Together, we've created a roster of decadent parties to enjoy at a D&D venue of your choice.*

## Festive Explorer

The perfect team day out. Our treasure hunt and festive quiz is a great way to get your team together whilst building a bit of (healthy) competition along the way.

## Great Festive Escape

A highly engaging and experiential team event to develop creative problem solving, logic, teamwork and strong communication skills through our virtual escape room.

Teams will need to complete their Escape Room challenge in order to 'escape' the office and reveal the location of their dinner.

*Please note the Treasure Hunts are managed and sold separately by WildGoose.*

# Love Wine

*Give the gift of wine this festive season.*

*Whether a premium wine selection wrapped up in a gorgeous hamper or a wine tasting hosted by a D&D sommelier, our wine packages are sure to make your nearest and dearest very happy!*

Nothing says love more than a fine wine and for us, that's a big deal.

LOVE WINE introduces a truly unique selection of wines at outstanding prices.

Our sommeliers have handpicked a diverse collection of labels from the most iconic wine producers, styles and regions across the world, all for you to enjoy in D&D restaurants.

# *Chef's Table*

*For foodies, gift the ultimate dining experience with our Chef's Table.*

*Meet the chef and embark on a journey to discover new flavours and combinations, making it so much more than simply 'dining'.*

These fabulous experiences are available at:

Launceston Place in the tucked away Gloucester Road

Coq d'Argent in the heart of the City

Sartoria, the only restaurant on renowned Savile Row

German Gymnasium in King's Cross

# *The ultimate exclusive river party with a difference*

Looking to organise an outstanding party for a group of 50 - 150 guests?

Join the Thames Clipper cruiser at Canary Wharf, London Bridge or Bankside and cruise down the Thames.

Take in the iconic sights of the Tower of London, the London Eye, Houses of Parliament and the ever-changing skyline of London with a glass of Champagne in hand.

Alight at one of London's most exciting developments, Battersea Power Station, and join us at Fiume - our gorgeous Italian venue by the Thames.

Make it even more special with customised boat flags, and your own videos and music on board.
